Exception for owners of two or more timeshare segments;

2. To be allowed to book ALL timeshare segments (ownerships) for the same week 13-months and one week in advance of the date.

Biennial Time Share Segments owned are entitled to reserve a maximum of 7 consecutive nights in your season and unit type during either an even numbered Use year or an odd numbered Use year.

Subject to availability and confirmation by the Reservations Department, reservations may be made for specific unit numbers on property in your season and unit type provided the Association holds no other reservation for the unit number requested (Exceptions: See 4.30). However, the Resort reserves the right to assign a different unit of the same size and occupancy as the unit for which such Owner may hold confirmation.

Consecutive split week reservations are not permitted.

Any subsequent reservations requested for the same calendar year may not exceed the difference between seven (7) and the number of nights previously used or deemed used in your calendar year.
